funds exceed amounts specified, with the exception of the policy development and institutional financial oversight program of the higher education department. In approving budget increases, the director of the state budget division shall advise the legislature through its officers and appropriate committees, in writing, of the justification for the approval.

On approval of the higher education department and in consultation with the legislative finance committee, the state budget division of the department of finance and administration may reduce general fund appropriations, up to three percent, to institutions whose lower level common courses are not completely transferrable or accepted among public colleges and universities in New Mexico.

The secretary of higher education shall work with institutions whose enrollment has declined by more than fifty percent within the past five academic years on a plan to improve enrollment, collaborate or merge with other institutions, and reduce expenditures accordingly and submit an annual report to the legislative finance committee.

The department of finance and administration shall, as directed by the secretary of higher education, withhold from an educational institution or program that the higher education department places under an enhanced fiscal oversight program a portion, up to ten percent, of the institution's or program's general fund allotments. On written notice by the secretary of higher education that the institution or program has made sufficient progress toward satisfying the requirements imposed by the higher education department under the enhanced fiscal oversight program, the department of finance and administration shall release the withheld allotments. Money withheld in accordance with this provision and not released at the end of fiscal year 2023 shall revert to the general fund. The secretary of the department of finance and administration shall advise the legislature through its officers and appropriate committees, in writing, of the status of all withheld allotments.

Except as otherwise provided, any unexpended balances remaining at the end of fiscal year 2023 shall not revert to the general fund.

three thousand eight hundred eighty-eight dollars (\$73,888).

The general fund appropriation to the state equalization guarantee distribution includes sufficient funding to provide all affected employees an hourly salary of at least fifteen dollars (\$15.00).

The general fund appropriation to the state equalization guarantee distribution includes one hundred one million thirty-six thousand dollars (\$101,036,000) to provide an average four percent salary increase to all public school personnel. The secretary of public education shall not approve the operating budget of a school district or charter school that does not provide an average four percent salary increase for all public school personnel.

The state equalization guarantee distribution includes ten million ninety-two thousand three hundred dollars (\$10,092,300) from the general fund to provide targeted salary increases for hard-to-staff positions that provide instructional support or social services to students.

A school district or charter school shall not pay an increase of more than six percent for group health insurance premium increases that take effect in fiscal year 2023.

The general fund appropriation to the state equalization guarantee distribution includes twenty million seventy-eight thousand five hundred dollars (\$20,078,500) to provide incumbents in positions covered by a pension plan created under the Educational Retirement Act a one percent employer-paid pension contribution increase contingent on enactment of legislation in the second session of the fifty-fifth legislature increasing employer-paid pension contributions.

The state equalization guarantee distribution includes ninety-five million dollars (\$95,000,000) from the general fund for in-person extended learning time programs pursuant to Section 22-8-23.10 NMSA 1978. The secretary of public education shall consider those extended learning time programs eligible for state financial support and the amount of state funding available for extended learning time programs and determine, in consultation with the department of finance and administration, the programs and consequent numbers of students in extended learning time programs that will be used to calculate the number of additional program units for extended learning time programs. dollar (\$95,000,000) general fund appropriation that is not distributed through the extended learning time program factor, calculated by multiplying the final program unit value set for the 2022-2023 school year by the total extended learning time program units and subtracting that product from ninety-five million dollars (\$95,000,000), shall revert to the public education reform fund.

Provided students participate in the academic assessment program pursuant to Section 22-2C-4 NMSA 1978 and with department approval, up to thirty hours of instruction provided to students by a tribal government office that oversees education programs within a federally recognized Indian nation, tribe or pueblo located wholly or partially in New Mexico and has entered into a formal agreement with the school shall be deemed to be time in a school-directed program and is part of the instructional day for those students.

The general fund appropriation to the state equalization guarantee distribution includes sixty-four million twenty-seven thousand five hundred dollars (\$64,027,500) to provide an additional average three percent salary increase for all public school personnel who work in a K-5 plus school pursuant to the K-5 Plus Act or an extended learning time program pursuant to Section 22-8-23.10 NMSA 1978 for the 2022-2023 school year. The secretary of public education shall consider the costs of implementing an average three percent salary increase for all public school personnel who work in a K-5 plus school or extended learning time program and distribute the sixty-four million twenty-seven thousand five hundred dollar (\$64,027,500) appropriation to school districts and charter schools in proportion to each school district's and charter school's share of the total statewide program cost. If a school district or charter school does not have a K-5 plus school or extended learning time program, the school district's or charter school's proportionate share of the sixty-four million twenty-seven thousand five hundred dollar (\$64,027,500) general fund appropriation to the state equalization guarantee distribution for the additional average three percent salary increase shall revert to the public education reform fund.

plus programs pursuant to the K-5 Plus Act. The secretary of public education shall consider those K-5 plus programs eligible for state financial support and the amount of state funding available for K-5 plus programs and determine, in consultation with the department of finance and administration, the programs and consequent numbers of students in K-5 plus programs that will be used to calculate the number of additional program units for K-5 plus programs. Any amount of the one hundred nineteen million eight hundred ninety-five thousand nine hundred dollar (\$119,895,900) appropriation that is not distributed through the K-5 plus program factor, calculated by multiplying the final program unit value set for the 2022-2023 school year by the total K-5 plus program units and subtracting that product from one hundred nineteen million eight hundred ninety-five thousand nine hundred dollars (\$119,895,900), may be used for extended learning time programs. Any remaining, unused amounts of the appropriation shall be transferred to the public education reform fund.

For fiscal year 2023, if the program cost made available is insufficient to meet the level of state support required by the special education maintenance of effort requirements of Part B of the federal Individuals with Disabilities Education Act, the public education department shall reduce the program cost and state equalization guarantee distribution appropriation in an amount sufficient to cover the projected shortfall and distribute that amount to school districts and charter schools in proportion to each school district's and charter school's share of the total statewide program cost to meet the level of support required by Part B of the federal Individuals with Disabilities Education Act for fiscal year 2023. The public education department shall reset the final unit value and recalculate each school district's and charter school's program cost for fiscal year 2023.

The general fund appropriation to the state equalization guarantee distribution includes forty-three million dollars (\$43,000,000) for school districts and charter schools to purchase culturally and linguistically appropriate instructional materials for eligible students, including dual-credit instructional materials and educational technology.

The general fund appropriation to the state equalization guarantee distribution includes eight million dollars (\$8,000,000) for school districts and charter schools to provide evidence-based structured literacy interventions and develop literacy collaborative models that lead to improved reading and writing achievement of students in kindergarten through fifth grade.

The public education department shall not approve the operating budget of any school district or charter school to operate a four-day school week during the 2022-2023 school year that did not provide a four-day school week during the 2021-2022 school year.

The public education department shall monitor and review the operating budgets of school districts and charter schools to ensure the school district or charter school is prioritizing available funds to those functions most likely to improve student outcomes. If a school district or charter school submits a fiscal year 2023 operating budget that, in the opinion of the secretary of public education, fails to prioritize funds as described in this paragraph, the secretary of public education shall, prior to approving the school district's or charter school's fiscal year 2023 budget, direct the school district or charter school to revise its submitted budget or shall make such revisions as required to meet the requirements of this paragraph.

The general fund appropriation to the public school fund shall be reduced by the amounts transferred to the public school fund from the current school fund and from federal Mineral Leasing Act receipts otherwise unappropriated.

The other state funds appropriation to the state equalization guarantee distribution includes balances received by the public education department pursuant to Section 66-5-44 NMSA 1978.

contractual services, other and other financing uses;

(2) "budget increase" means an approved increase in expenditures by an agency from a specific source;

(3) "category transfer" means an approved transfer of funds from one budget category to another budget category, provided that a category transfer does not include a transfer of funds between divisions; and

(4) "program transfer" means an approved transfer of funds from one program of an agency to another program of that agency.

B. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, those budget adjustments specified in this section are authorized for fiscal year 2023.

C. In addition to the specific category transfers authorized in Subsection E of this section and unless a conflicting category transfer is authorized in Subsection E of this section, all agencies, including legislative agencies, may request category transfers among personal services and employee benefits, contractual services and other.

D. Unless a conflicting budget increase is authorized in Subsection E of this section, a program with internal service funds/interagency transfers appropriations that collects money in excess of those appropriated may request budget increases in an amount not to exceed five percent of its internal service funds/interagency transfers and a program with other state funds that collects money in excess of those appropriated may request budget increases in an amount not to exceed five percent of its other state funds contained in Section 4 of the General Appropriation Act of 2022. To track the five percent transfer limitation, agencies shall report cumulative budget adjustment request totals on each budget request submitted. The department of finance and administration shall certify agency reporting of these cumulative totals.

E. In addition to the budget authority otherwise provided in the General Appropriation Act of 2022, the following agencies may request specified budget adjustments:
